

CANCELLATION NOTICE

LF 80, SCBA Inspection & Maintenance Report for Self-Contained Breathing Apparatus (Rev. Aug. 2004)

Cancelled effective 01-31-08.

LF 80, SCBA Inspection & Maintenance Report for Self-Contained Breathing Apparatus (Rev. Aug. 2004), was the tool used to report weekly/monthly inspection and maintenance to self-contained breathing apparatus. The function of this form was incorporated into page 2 of the revised LF 73, Self-Contained Breathing Apparatus (SCBA) Inspection & Maintenance Report (Rev. Jan. 2008). As such, this form is officially cancelled. See the "More Details" link for LF 73 on the Forms Index for point of contact to obtain the replacement form.
